HEMEROCALLIS

Spring 1950

*The Gateway to
Lovelier Gardens*

Sunny Acres

*Mrs. Paul F. Trahan
Greenwell Springs, La.*

Hemerocallis

Hemerocallis (daylilies) will grow in any soil but will respond to good culture and fertilizing. Some varieties prefer full sun others part shade. They can be transplanted any time the ground is not frozen. After planting they should be watered until new growth starts, if necessary.

Terms: cash with order, check, or money order

Postage paid on orders over \$3.00 on smaller orders add 35c to cover postage and packing.
